

Name: Dan Murphy

Office: Canyons School District School Board Precinct 6

District: Canyons School District School Board Precinct 6

Email Address: dan@murphy4schools.com

Website: murphy4schools.com

Age: 32

Occupation: Financial Representative

Residence: Sandy

Years at Residence: 2

Qualifications:

With a background in finance, I currently work for one of the largest financial companies in the world and feel comfortable working with large accounts. I believe I could put my experience to work in overseeing the district's \$300 million budget and insuring our tax dollars are spent wisely.

I live within walking distance of three schools in our district -- Indian Hills Middle School, Sprucewood Elementary and Alta High School. These schools, as well as Altara, Lone Peak and Sunrise elementary schools within Precinct 6, are very important to me. Our community deserves leadership on the board that focuses on our precinct and the needs of our students.

I believe I represent the demographic of our community. The neighborhoods in our precinct are experiencing an influx of young, new families who are concerned about the schools that their children are and will be attending. I will listen to the parents in our community and work with community leaders to refocus the district's efforts on improving the existing neighborhood schools. I am not tied to the status quo and am committed to innovation.
